Scripture Text: Isaiah 6:1-8 NLT

Subject: "A Spiritual Awakening"

Introduction: I believe it would be safe to say that there comes a time in the life of every believer when he or she needs a fresh or a renewed vision of God.

It might well be that the believer's Christian walk has become stale and insipid.

And yes, along this Christian journey it's possible even probable that one will become disinterested or tedious from their familiarity with the things of God.

Sometimes even in Christendom we grow a little cold.
